IMAGINENANO – a new concept in Europe

Newsletter No. 5 – December 2010

Bilbao (Spain) will host one of the largest European Events in Nanoscience & Nanotechnology from **11th** until **14th** of **April 2011** at BEC ([Bilbao Exhibition Centre](http://www.bilbaoexhibitioncentre.com)).

- ◆ 15.000 m<sup>2</sup>
- ◆ 6 Conferences in parallel
- ◆ Industrial Forum
- ◆ Most renowned speakers
- ◆ International pavilions
- ◆ 1.500 – 2.000 pax
- ◆ Societal activities where everyone can meet and greet Nanotechnology
- ◆ Enormous Industrial Exhibition
- ◆ More than 1.000 posters

## ◆ LATEST CONFIRMED SPEAKERS

## ◆ EXHIBITORS/PAVILIONS

Opportunities are still available for industrial, academic and governmental institutions to share common objectives and drive the commercialization and know-how of Nanotechnology. The organization announces that 65% of the Exhibition area is already reserved. If you want to take part in this gathering, do not forget to pre-book and guarantee you will get the best location. ## ◆ EXHIBITION & SPONSORSHIP OPPORTUNITIES

We still have options available regarding exhibition and sponsoring. Don't forget the sooner you reserve, the maximum exposure you will get. PLEASE CHECK THE OPPORTUNITIES AVAILABLE [HERE](#).

## ◆ INDUSTRIAL FORUM (Confirmed Sessions)

Tentative Schedule INDUSTRIAL FORUM (THEATER)				
	April, 11 MONDAY	April, 12 TUESDAY	April, 13 WEDNESDAY	April, 14 THURSDAY
09h00		Industry Forum: Bioengineering, Biomaterials and Nanomedicine (Ciber-BBN)	NanoSafety Toxicology (HINAMOX)	NanoInstrumentation
13h30	To be defined		Code of Conduct Nanosciences & Nanotechnologies (NanoCode)	Energy From Science to Industry
14h30	Funding & Technology Internationalization (CDTI)	NanoMagnetism From Science to Industry	Nanotechnologies in BioMedicine	To be defined
18h30	Business Angels	Tech Transfer	Nanomaterials From Science to Industry	

\* The Brokerage event will be organized in collaboration with EEN (Enterprise Europe Network) during all day.

### Brokerage Event

The aim of the ImagineNano Brokerage Event 2011 is to encourage meetings between technology developers and technology users in order to foster technical cooperation in the field of micro & nanotechnology. The Brokerage Event will be held on the Exhibition Area of ImagineNano on Wednesday 13th between 9.30-13.30 and 14.30-18.30.

Companies, technological centers, research and development institutes, research laboratories, universities and private researchers have opportunity to:

- present their know-how and innovative technologies
- find new technological solutions
- meet potential business partners
- find partners for collaborative European R&D projects
- make new international contacts

Thanks to the proven methodology we offer you a good schedule with high level meetings.
