Brokerage Event—NEW DATE

The aim of the ImagineNano Brokerage Event 2011 is to encourage meetings between technology developers and technology users in order to foster technical cooperation in the field of micro & nanotechnology. The Brokerage Event will be held on the Exhibition Area of ImagineNano on **Tuesday 12th** between 9.30-13.30 and 14.30-18.30.

Companies, technological centers, research and development institutes, research laboratories, universities and private researchers have opportunity to:

- present their know-how and innovative technologies
- find new technological solutions
- meet potential business partners
- find partners for collaborative European R&D projects
- make new international contacts

Thanks to the proven methodology we offer you a good schedule with high level meetings.
